

SOCIAL DISTANCING FEET STENCIL

1. Print the stencil at actual size, on A3 paper.
Print on thick paper/card if possible.
2. Cut within the shaded area, along the dotted lines. Remove the 4 shaded areas so that you have 4 holes within the paper
3. Place the stencil on the floor and spray paint within the holes.

Tip: Add extra paper to the top and bottom of the stencil to avoid spraying over the top and bottom edges.

ARROW STENCIL

1. Print the stencil at actual size, on A3 paper.

Print on thick paper/card if possible.

2. Cut within the shaded area, along the dotted lines.

Remove the shaded area so that you have an arrow shaped hole within the paper

3. Place the stencil on the floor and spray paint within the hole.

Tip: Add extra paper to all sides of the stencil to avoid spraying over the edges.
